EXPERIENCE

January 2021 - present
ThemeBucket
Software Engineer
At ThemeBucket my obligation is to architect and lead the improvement of "Happy Elementor Addon" WordPress plugin. Happy Elementor Addon is one of the maximum famous addon percent for Elementor web page builder for WordPress.

May 2020 - December 2020
voidCoders
Software Engineer
At voidCoders, my obligation is to architect and lead the improvement of the "Elemailer" WordPress plugin.
I was responsible to make it more user-friendly and increase customer satisfaction for the "Contact Form 7 Widget" WordPress plugin.

July 2019 - April 2020
XpeedStudio
Software Engineer
I was the lead developer of the "MetForm" WordPress plugin. I build this plugin from scratch here.
"ElementsKit" is one of the most famous Elementor addons. I contributed here to make it more user-friendly and include some fancy functionality.

HOBBY

Travelling   Bike Riding   Reading Books
